I like
you...

Why are you running away?
A...
Arata...?
Step back
Wh... what do you mean?!
Don't lie!
Hurry
No... no, that's...!
Sfx Step step
You only see me as a friend, don't you?!
You said it already! To just stay the way we are
In that case...!
Yes, I do like her. But...!
And you like Serika!

Wait, Arata...!
むんずっ
Sfx: Crab
へにゃ
Sfx: Fall down
It goes the same for you
This is horrible
かばっ
Sfx: Get up
I also like you.
I know that I am very selfish,
And self-centred...
But I don't want you to like someone else!

I thought that you will continue to like me and be there for me, even if I don't say anything.
But now I know that it's not right...
I am... an idiot.
Please don't leave me.
Stay with me.
I need you...

Sfx: Luft
I am...
A guy.

I am completely different from Serika.
Do you know what I mean?
Do you still need me?!
Are you willing to embrace me?

I will never let you go...

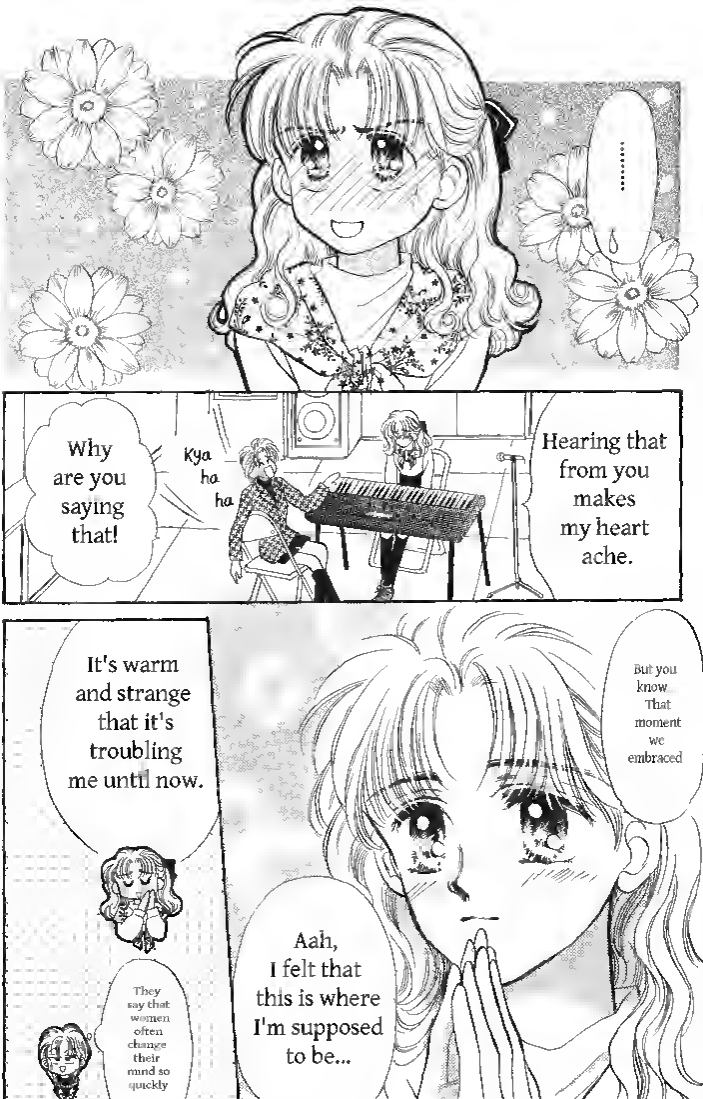
Anytime...

You'll always be right there.

Your warm chest...

Which embraced me,

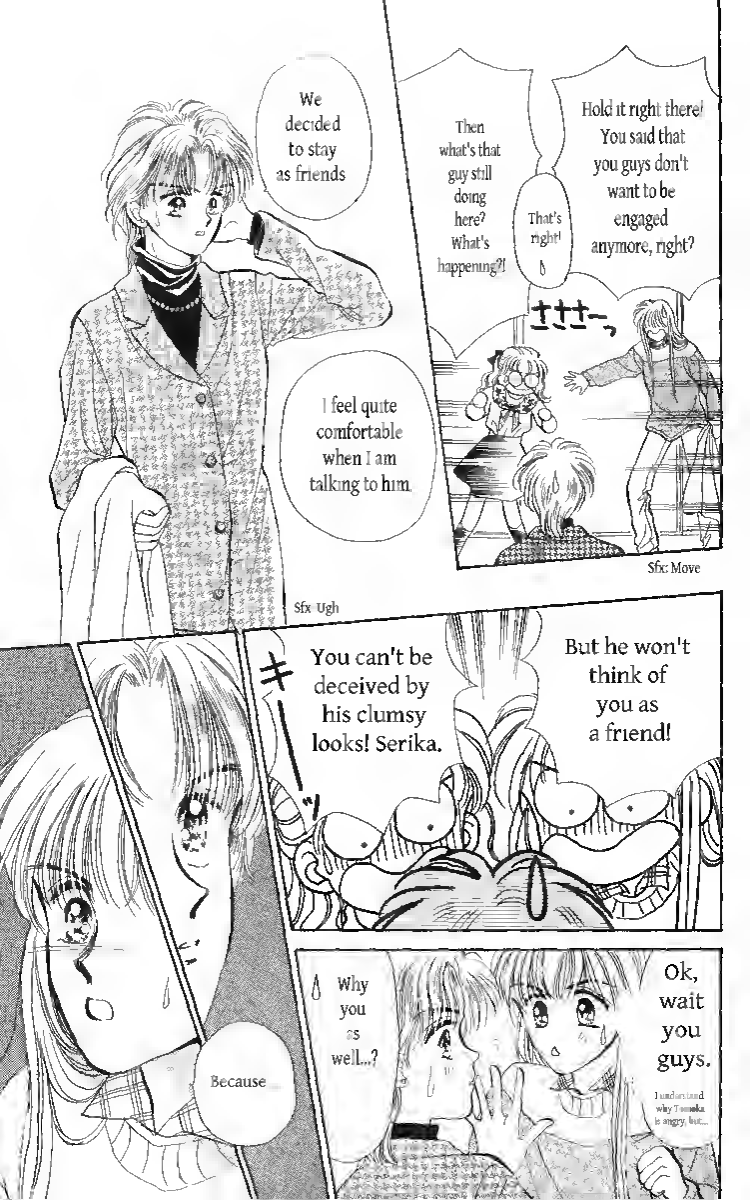
With your warm heart...



.....
Why are you saying that!
Kya ha ha
Hearing that from you makes my heart ache.
It's warm and strange that it's troubling me until now.
They say that women often change their mind so quickly
Aah, I felt that this is where I'm supposed to be...
But you know That moment we embraced

Which of us do you like best?
Then...
Thanks for saying that.
She's at it again
But don't worry♡ I like Arata the most among the guys in the world and you among the girls
Don't think it through.
.....
にぱっ。
I like you both so much♡
I can't pick one.

Sfx, Cry
!?
If you make her cry,
Someone should hit her.
Hey you guys?
Then nothing has changed.
I will take you down.
I knew that already.
With Fuyuhiko We are eating dinner together
See you later
What? With who?
Sorry. I can't practice today I have to meet someone
Hi!

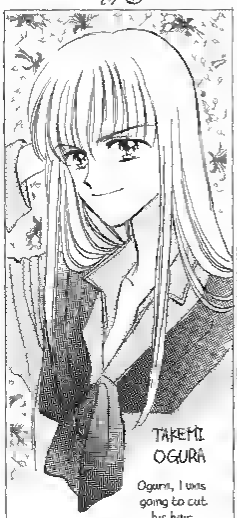


We decided to stay as friends
I feel quite comfortable when I am talking to him
Hold it right there! You said that you guys don't want to be engaged anymore, right?
That's right!
Then what's that guy still doing here? What's happening?!
ささーっ
Sfx: Move
Sfx: Ugh
You can't be deceived by his clumsy looks! Serika.
But he won't think of you as a friend!
キーン
Because
Why you as well...?
Ok, wait you guys.
I understand why Tomoka is angry, but...

I am in love with you.
I'm late. I have to go.
I don't have time for jokes right now.
Sorry!

バタン
See you tomorrow
She took my confession as a joke..
Even though I practiced so much for it..
O... Ogura...
It's a lie, right?!
How long have you liked her? Really
I fell in love with Serika's talent a long time ago
Enough to lose my mind
But as a woman...

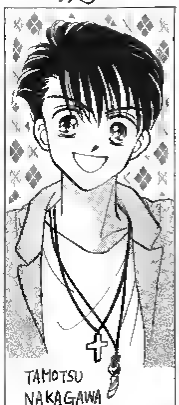
Really?
Until that guy appeared.
I never thought about it,
I followed her to Russia to make her mine even if it's by force.
ガタッ
Sfx: Fall down
I can't stop imagining it.
Somehow it felt so weird
You jerk!
It hurts.
I'll seriously pull it all out!
I'm going to shave all your hair off right now-!



He's a character who people either really like or really hate. He hasn't been favored by most fans, but there are lots of fans who like him. Among my manga artist friends, they said that Ogura is the best character, so it was really fun for me to draw him.

I will never approve of you!
Whether it's a joke or not, if you touch one of Serena's fingers,
I will shave your scalp off!
As I thought

.....
You know well that I don't want to do something like this
I can't receive something like this
I will wait forever,
Be it five or ten years.
So please take care of it until then.



Request 3

There has been a request "I want to see Tamotsu smiling!", so I drew him. It doesn't really look like him right?! I can change his hairstyle to the way I wanted.

Before the story started, I was going to make him as a really weak character. But since he was surrounded by a lot of strong characters, I thought that he could just be normal, so he was born.

Sfx: Thud

But I'm really happy to find that you're not a lesbian.

Serika, you told me yourself.

You even kissed him in front of me.

Then you really believed it?

The days when we met so many times,

Of course but...

Ah, I will be your slave.

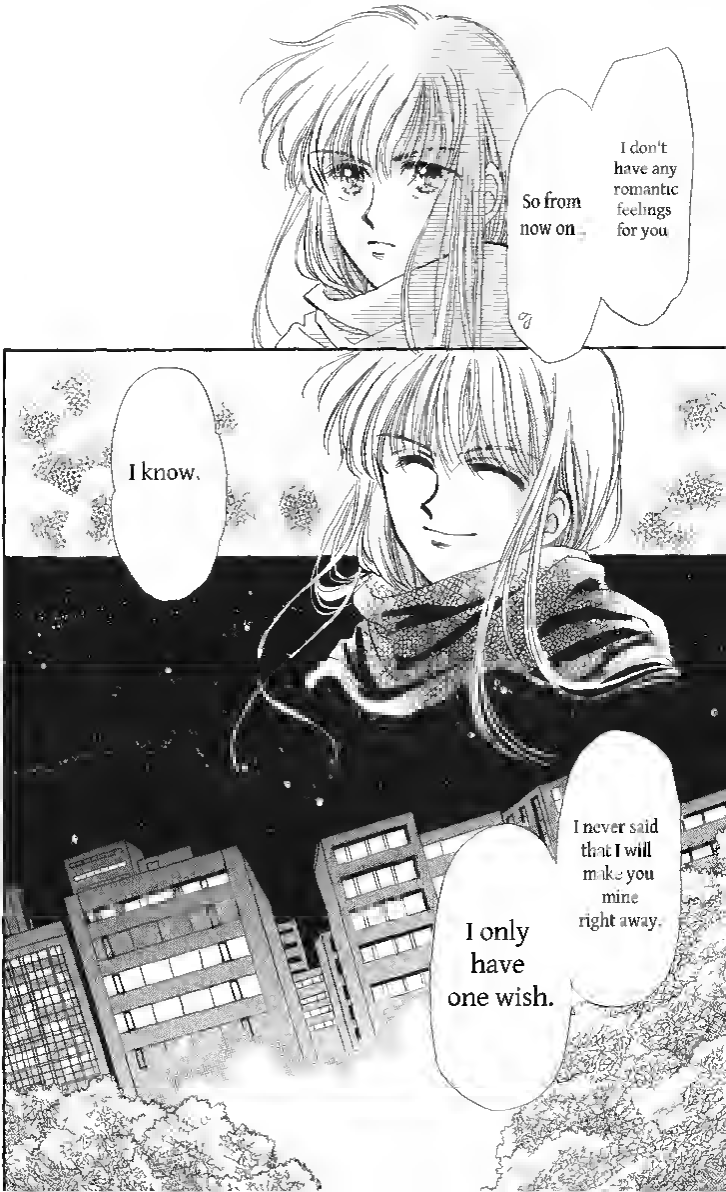
This voice that means.

How can you not know! You noisy jerk!
What did you say!
Sfx: Get up
Hey I didn't know that I was going to meet you in a place like this.
Ogura!
カバ
Ah~ my emotions were about to burst!
Let's go out!
Shut up and get out!
Please don't say that you are sorry.
I just came here to sing, so please continue with your date
……
Serika!

This is what they call "the power of love"...
Hey!
How did you find this place?!
Why are you doing this!
I won't kiss a girl I don't like.
Why are you saying stuff like that!?

I won't follow a girl I don't even like to Russia.
And if I don't really like her, I won't interrupt her date.
...I can't do childish things like that.
.....!

Shiki Shinonome
It's the truth.
I am doing all this. Can't you just accept it?
Wa... wait!
You're lying, right!?
Don't play with me!
How can you say something like that all of a sudden!
I only think of you as a good friend!
...And that's it!



I don't have any romantic feelings for you
So from now on...
I know.
I never said that I will make you mine right away.
I only have one wish.

I don't want
Anyone to take you away.
What Ogura said before,
I think I understand it...

Isn't that like loving a popular TV celebrity?
Since I know for a fact that I can't become hers,
I don't want her to belong to anyone else...
Anyway, no matter what it is, Serika must be uncomfortable, isn't she?
It's complicated
I think it's a little different from that
Let's see, it's like a crooked longing for possess ion

Other characters.

I enjoyed drawing his glasses

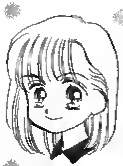
FUYUHIKO TAKASHIMIZU

He's my ideal man. He's tall, has a lot of money, came from a nice school, is mature, and he showers you with love. He was really hated by some Serika fans. He was going to be homosexual at first. (Grin)

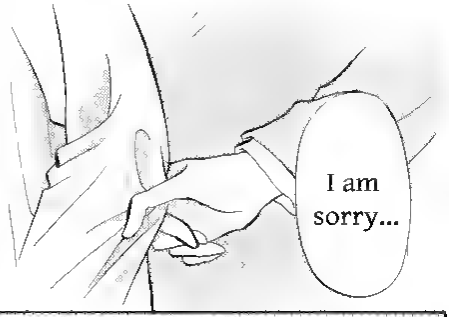
YUKIO SHIGA

My last agent (who was female) really hated him, so he disappeared quickly from the story.

ERIKO SAIONZI



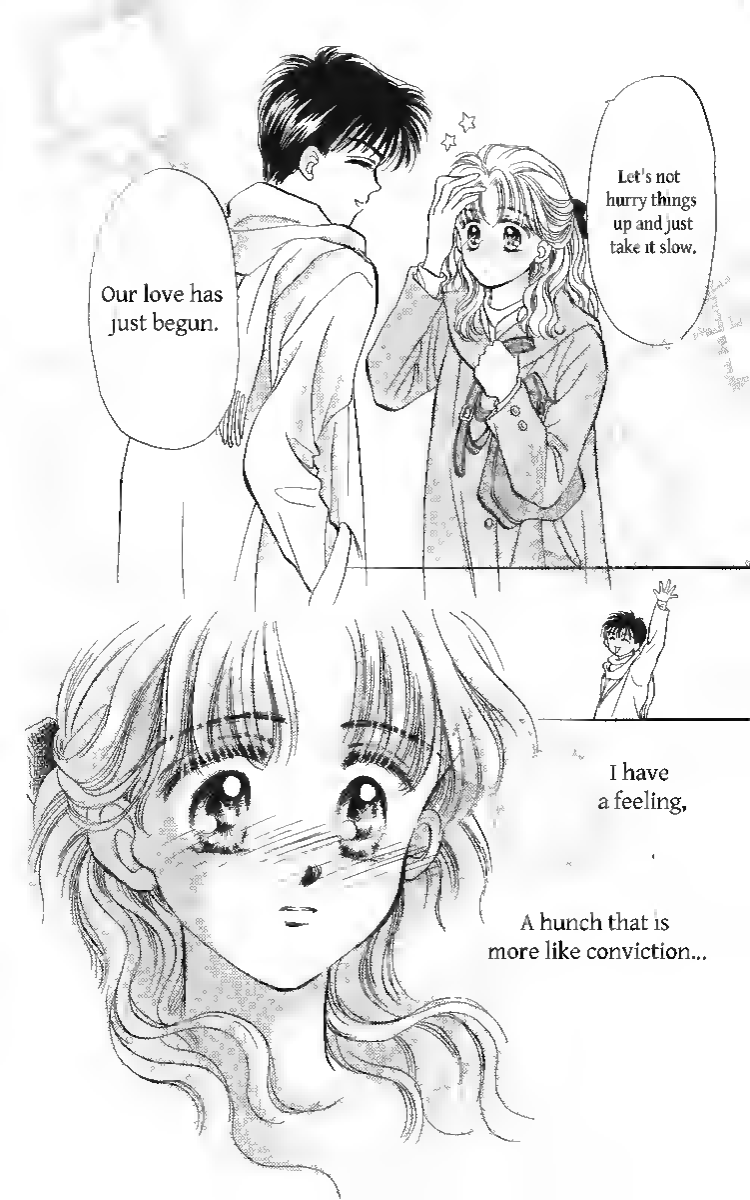
After she was rejected by Ogura, her fans suddenly increased. There were a lot of letters where people said that they want to see her with Tamotsu (or Yuko).



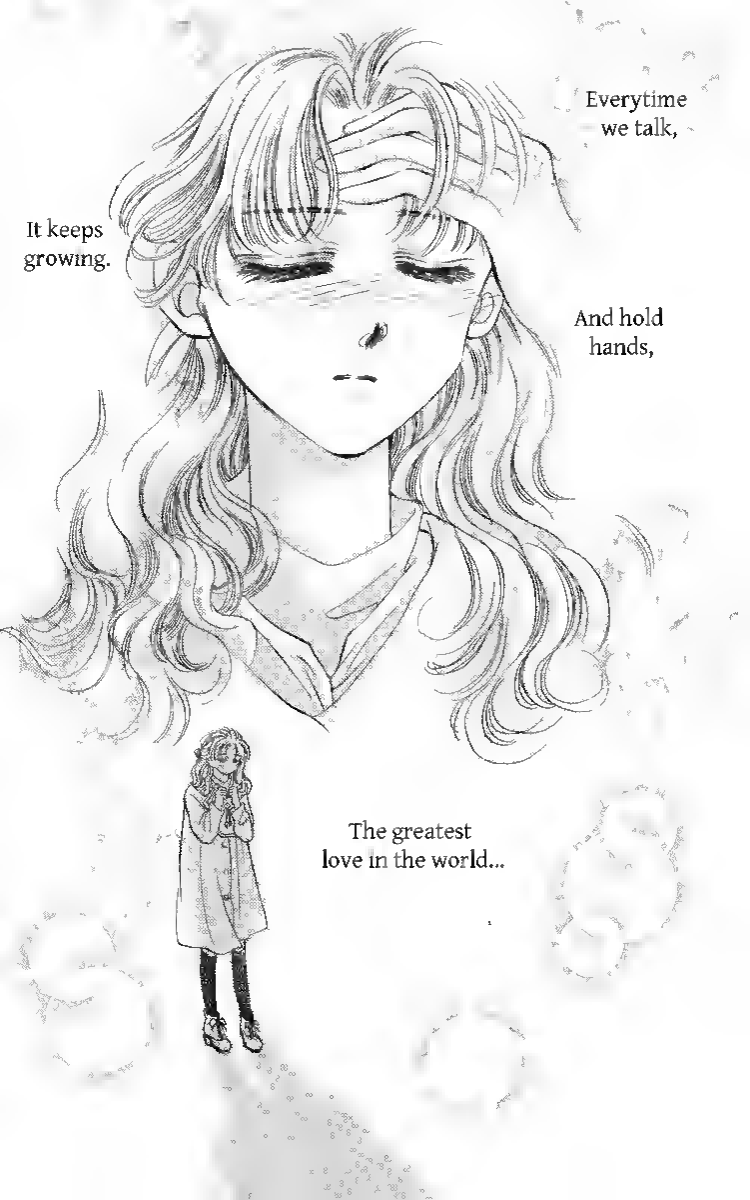
Sfx, Pull

She may be your most special person, even more than me
And that will never change in our life.
Ah...
Arata...!
ホッ
Serika,
For me, you, who is in my arms right now,
You are my everything.
But I don't care about that at all.

どぎゃん どぎゃん
Sfx. Thump thump
Ugh
Sfx. Smile
Sfx. Thump thump



Our love has just begun.
Let's not hurry things up and just take it slow.
I have a feeling,
A hunch that is more like conviction...



Everytime
we talk,
It keeps
growing.
And hold
hands,
The greatest
love in the world...
